

COMMERCE DOES NOT REGARD STATE LINES SUPREME COURT SAYS

**Hands Down Decision Upholding Authority
Of the Interstate Commerce Commission
to Fix State Passenger Fares—Chief Jus-
tice Taft Gives Decision Without Dissent**

(By The Associated Press)
WASHINGTON, Feb. 28.—Declaring that "commerce is an unit and does not regard state lines," the supreme court today thru Chief Justice Taft and without dissent handed down a decision upholding the authority of the interstate commerce commission under the transportation act of 1920 to fix state railroad passenger fares when necessary to remove "undue, unreasonable and unjust discrimination against interstate commerce."

Two cases were reported to the court. One was brought by the railroad commission of Wisconsin and others against the Chicago, Burlington & Quincy railroad seeking an injunction to prevent the roads of the state from putting in to effect on state passenger traffic the rate of 3.6 cents per mile allowed by the government on interstate travel.

The other was brought by the state of New York against the federal government, the interstate commerce commission and certain railroads of that state on the ground that three cent fare fixed by the public utility commission produced reasonable returns to the railroads upon their state traffic.

MONDELL WOULD POSTPONE ACTION ON BONUS BILL

**Believes a Little De-
lay Would "Clear
the Skies"**

(By The Associated Press)
WASHINGTON, Feb. 27.—Postponement of house action on the soldier bonus bill for a while longer was suggested today by Representative Mondell, Republican leader, after he and Chairman Fordney, of the ways and means committee, had conferred with President Harding.

Emphasizing that the suggestion was his own, Mr. Mondell said it was well known that the house intended to pass a bonus measure at this session and that a little delay might serve to "clear the skies." He asserted that within a short time there probably would be more definite information as to expected savings in expenditures for the next fiscal year returns from the foreign debt and whether business conditions could be expected to improve to the extent of insuring additional federal revenues.

Mr. Mondell and Mr. Fordney were understood to have appraised the president formally of the action of special house sub-committee in rejecting the executive's proposal that the bonus be financed by a sales tax and approving instead a bill without any definite means of raising the revenue.

Harding Still Unchanged.
They would not indicate what views the executive had expressed, but Representative Longworth, of Ohio, said tonight after a visit to the white house that Mr. Harding still was of the opinion that the legislation either should be financed by a sales tax or postponed.

Mr. Longworth previously had expressed the opinion that the majority members of the ways and means committee at their meeting tomorrow to consider the report of the special sub-committee would approve a bonus bill without any revenue provision.

The bonus bill got into the house discussion, Representative Hill, Republican, Maryland, opening the debate by reading a letter he had written Mr. Fordney suggesting elimination of all of the "five way" plan except the cash feature. He told the house that he had fairly accurate information that 95 percent of the service men in Baltimore would take the cash feature and that he believed a large percentage of the men elsewhere would do likewise.

Questioned as to how he would raise the \$1,500,000,000 necessary to pay all of the men cash, Mr. Hill said the money could be obtained by a tax on light wines and beer.

"That's no basis for estimate, that's imagination," said Representative Mann, Republican, Illinois, amid laughter.

COMMITTEEMAN**

Petitions are in circulation for Horace H. Bancroft as member of the state central committee from this, the 20th district. The position is now held by S. E. Simpson of White Hall.

SUFFRAGE FOR WOMEN UPHeld BY HIGH COURT

**Decision is Unanimous
on Legality of the
Amendment**

(By The Associated Press)
WASHINGTON, Feb. 27.—The constitutionality of the women's suffrage amendment was upheld today by the supreme court in a unanimous decision given by Justice Brandeis.

The challenge came from the state of Maryland, where Oscar Lezer and others sought to prevent the register of two women as qualified voters in Baltimore. Lezer and his associates contended that the constitution of Maryland limited suffrage to men; that the legislature of Maryland had refused to ratify the woman's suffrage amendment and that the amendment had not become a part of the federal constitution. The Maryland state courts sustained the amendment.

The contention that an amendment to the federal constitution relating to additions to the electorate could be made without the consent of the state, the court disposed of by reference to the fifteenth or equal suffrage amendment declaring that "one cannot be valid and the other invalid." It pointed out that the validity of the fifteenth amendment had been recognized for half a century.

The suggestion that several of the 36 states which ratified the 19th amendment had provisions in their state constitutions which prohibited the legislatures from ratifying, could not be entertained, the court stated, because the state legislatures derived their power in such matters from the federal constitution which "transcends any limitations sought to be imposed by the people of a state."

The remaining objection, that the ratifying resolutions of Tennessee and West Virginia were inoperative, because adopted in violation of legislative procedure in those states may have rendered "immaterial" the court declared by the subsequent ratification of the amendment by Connecticut and Vermont. The contention was disposed of on a broader ground, the court stated, adding that the secretary of state having issued a proclamation of the ratification of the amendment by the legislatures of 36 states, the amendment had become a part of the constitution.

Indicate Action is Final.
The court announced in disposing of the case which had been brought on appeal on a writ of error, that it granted the petition for a writ of certiorari, but the decision so thoroughly disposed of the objections urged there seemed in the opinion of court officials, no probability that any argument could be presented which would cause the court to change its mind.

Another attack upon women's suffrage was disposed of in an opinion handed down by Justice Brandeis. It was brought by Charles S. Fairchild, of New York who sought to compel the withdrawal of the ratification program. Justice Brandeis stated that the case must be dismissed because Fairchild had no standing which warranted him in bringing such a suit.

Declaring the decision a "final and complete official recognition of a victory of a seventy two campaign by the women of the United States," Alice Paul, vice-president of the National Women's Party issued a statement in which she said, "women are now devoting their energies to completing the equal rights program."

She asserted that suffrage was only one plank.

It was the third time the house has been afire since the first of the year. The property is owned by some man in Iowa and is occupied, by a Mr. Weider. The damage was slight.

MORE BROKERAGE HOUSES RUN AFOUL FINANCIAL STORM

**Total Since Last November
Has Reached Thirty
Five**

(By The Associated Press)
NEW YORK, Feb. 27.—Financial troubles overtook five more brokerage houses in Wall street today.

Involuntary bankruptcy petitions were filed against four while a fifth, C. W. Starbuck and company, made a voluntary assignment for the benefit of creditors.

Today's failures brought the total since last November to 35. The firm of Mosher and Wallace was the first to go down today, announcement of its suspension from the Consolidated Stock Exchange being followed quickly by the filing of a bankruptcy petition in federal court. Liabilities were estimated at \$175,000 while assets were not stated.

The same fate overtook "Thomas H. Cowley and company and Shewry and Falkland, liabilities and assets of the former being listed respectively as \$100,000 and \$40,000, while in the case of Shewry and Falkland liabilities alone were estimated at \$60,000.

Federal Judge Hand named Ben. A. Matthews receiver for Gamble and Yates, under bond of \$10,999. Liabilities were estimated at \$75,999 and assets at \$35,999.

SMALL NAMES TWO MEMBERS OF DEEP WATERWAY BOARD

**Former U. S. Senator Hop-
kins is One of
Them**

(By The Associated Press)
SPRINGFIELD, Ill., Feb. 27.—Former United States Senator Albert J. Hopkins of Aurora and L. M. Nicholson, Chicago real estate broker, were named by Governor Small tonight as members of the Illinois Deep Waterway commission.

Two of the nine members of the commission, which is to represent Illinois at the national rivers and harbors congress at Washington March 1 and 2 are yet to be named. They will be members of the legislative and will probably be appointed tomorrow.

The commission was created to represent Illinois in all matters relative to the proposed Great Lakes to Atlantic waterway. The other five members who have been appointed are:

Senator Edward J. Glacklin, Chicago; Representative Charles Stubbins, Peoria; M. K. Northam, Evanston; Colonel William Nelson, Peoria; Chicago, and Howard Baldwin, Chicago.

FAREWELL AUDIENCE GIVEN TO DOUGHERTY YESTERDAY BY POPE

**Expresses Wonder at Growth
of the Church in
America**

(By The Associated Press)
ROME, Feb. 27.—Pope Pius today received in farewell audience Cardinal Dougherty of Philadelphia and the Very Rev. Joseph A. Whitaker, chancellor of the archdiocese of Philadelphia. The cardinal presented Monsignor Whitaker after he had a long audience with the pope. The pontiff gave each of his visitors a souvenir.

Later Cardinal Dougherty and his party were received by Cardinal Gasparri, the papal secretary of state who presented each of the visitors a medal struck to commemorate the concave over which Cardinal Gasparri presided as cardinal camerlengo.

The farewell audience lasted fifty minutes and was of a most cordial character. The pontiff manifested great interest in the Catholic University at Washington. He also expressed his admiration for the American people and his wonder over the growth and prosperity of the Catholic church in the United States.

RUNS OVER POLICEMAN'S FEET; IS ARRESTED

Quincy, Ill., Feb. 27.—All policemen have big feet, according to an old saying, but it has remained for Henry Zickelschulte, Quincy traffic officer to verify the statement. The officer was directing traffic after two automobiles had collided on a downtown street today when one of the machines ran over his feet in making a turn. The driver was arrested.

FORD OFFER IS SIDETRACKED IN THE COMMITTEE

**Way is Cleared for
Consideration of
Rival Offer**

(By The Associated Press)
WASHINGTON, Feb. 27.—The Ford offer for purchase and lease of the government war projected properties at Muscle Shoals, Ala., was temporarily sidetracked today by the house military committee after almost three weeks' continuous investigation and the way was cleared to begin consideration tomorrow of the rival proposal for the same properties submitted by the Alabama Power company.

Chairman Kahn said the committee hoped to dispose by Saturday of all hearings on offers before it, including those from Mr. Ford, the Alabama company and Frederick Engstrom and begin work next week on preparing a report for the house.

The decision to begin the examination tomorrow of the power company's offer was reached today, when Hubert Dent, of Alabama, former chairman of the house military committee acting chief counsel for the Alabama concern, and Thomas W. Martin, president of the company, concluded arguments in which they strongly defended the option claimed by the company for exclusive right to purchase the Warrior steam plant, contained in the contract signed with the war department by which power was supplied by the plant during the war for operation of the nitrate plants at Muscle Shoals.

While the power company omitted in its proposal to make any provision for the manufacture of fertilizer or the operation of nitrate plants No. 1 and No. 2, it was understood that its officials had received information from independent interests indicating that they would ask the government for lease of the plants for use in commercial fertilizer production.

American Capital Employed.
It was pointed out that this enterprise would be established by new capital from American sources and be entirely independent of the power company or existing fertilizer producers, in the event the Alabama company's offer was accepted by congress and power would be made available for operation of the plants under the terms of the bid. Company officials declined to reveal the identity of the interests which had approached them but said they believed them to be capable of successfully producing soil foods in finished forms.

Defending the contract which the company executed with war department officials for the building of an addition to the Warrior plant and transmitting power to Muscle Shoals nitrate factories during the war, Mr. Dent declared the contract was "fair and just."

Senate hearings on war contracts negotiated by the war department and investigated by congress were read by Mr. Dent to show that in agreeing to purchase the Warrior plant at a "fair value" or compelling the government to remove the plant from the privately owned grounds of the Alabama Power company that concern had done nothing more than Henry Ford had in contracting to make Eagle boats for the government during the war.

Mr. Dent explained that the plants used for boat construction in Michigan were built by the government on Mr. Ford's property with the understanding stipulated in contract for that the buildings would be removed unless they were purchased by the Detroit manufacturer. Mr. Dent said that the government should not violate the contract, condemn the property in question and deliver it to Mr. Ford.

W. C. HEADEN SALE HELD YESTERAY

The W. C. Headen sale was held yesterday with a good attendance of persons who took the offerings at fair prices. Farm implements sold for good prices. Cattle and hogs brought 38 cents a bushel, Timothy hay sold for 55 cents a bale and one cow, the only one offered, brought \$86. A pair of aged mules sold for \$120 and one aged mule brought \$40. J. L. Henry cried the sale and A. E. Williamson was the clerk.

HOWITZER MEN PREPARE FOR INSPECTION

Members of the Howitzer company held their regular weekly drill last evening at the Armory. THOUSANDS POURING INTO LONDON FOR PRINCESS' WEDDING

**Are Wandering About Looking at the Dec-
orations Despite Blustery Wind and Show-
ers—Are Camping Along Line of Wedding
Procession with Well Filled Lunch Baskets**

(By The Associated Press)
LONDON, Feb. 28.—Vast crowds have been pouring into London to add their numbers to the thousands who will make a holiday of Princess Mary's wedding day. Until late at night the workmen were putting the last touches on the decorations and completing the reviewing accommodations in the neighborhood of Westminster Abbey and many people were wandering about watching, notwithstanding a blustery wind with occasional showers. In front of Buckingham Palace those who were determined to miss nothing paraded up and down. After midnight the numbers steadily increased at all the points of vantage. A majority were women and a large proportion obviously were provincials. Some carried stools on which they settled for the night wrapped closely against the wind and rain.

Whitehall was one of the favorite locations of the sight-seers and here many are passing the night with well stocked food baskets. But there is not a place along the route of the procession but has its quota of enthusiasts awaiting contentedly a chance to see the bride.

The official arrangements for the ceremony remain unaltered except for a slight prolongation of the ceremonies within the abbey on account of which the procession, thence to Buckingham Palace after the marriage will be about 20 minutes later than originally fixed.

The special train which will take the bride couple on their honeymoon to Western Park, Shifnal, will leave Paddington Station at 4:15 p. m., and arrive at 7:10 in the evening.

The weather prospects are not propitious. A rainy type of strong southwest wind prevails and showers, perhaps thunder, are probable during the day.

Plans for the wedding breakfast were completed last night. The company will number 150. As the famous state banquet room is not big enough for all of them, the bride and groom, the king and queen and about one hundred of the principal guests will gather here while the others will be accommodated in the state hall and supper room, which practically adjoins the banquet room. Round tables each accommodating twelve persons, will be used and the guests will be seated at 1 o'clock.

PAWN BROKERS COMPETING FOR NOBILITY TRADE

**Offer to Rent Court Appar-
el for Princess'
Wedding**

(By The Associated Press)
NEW YORK, Feb. 27.—London's pawn brokers are competing keenly for the letting of court apparel to poor, but proud nobles invited to Princess Mary's wedding.

The personal arrivals of London newspapers coming here today were filled with advertisements offering for rent everything from rhinestone slipper buckles to swords and cocked hats.

One broker advertised: "I know that there are ladies and gentlemen of noble birth who because of financial reverses have long been without court apparel and they can rent from me in confidence."

Alongside the pawnbrokers' advertisements appear those of the resorts where wedding celebrations will be held. One of these follows:

"Royal wedding gala dinner, ball and supper and distribution of marmoset wedding cake at J. de launay, Belgravia, Victoria, overlooking Buckingham Palace, 8:30 to 2 a. m. American jazz band and the smartest dance of the whole gamut. Court dress not compulsory."

MR. IRLAM'S GIFT MAKES ROADWAY SAFER

Thomas D. Irlam, who lives a short distance south of Woodson, has recently shown his civic spirit by donating a strip of ground for the use of the public. The highway turns at the corner where Mr. Irlam resides and when asked by Commissioner Osborne for the county board if he would be willing to have the corner rounded Mr. Irlam readily assented. He only asked that the corner be cut off in a way to spare a certain large tree. This change of road very much lessens the danger to traffic at that corner.

TWO PETITIONS FILED.

Two petitions asking for county office were filed Monday in the office of County Clerk Riggs. The petitions are those of L. L. Switzer, who is candidate for Republican nomination for commissioner, and C. E. Clampt, who is candidate for Republican nomination for sheriff.

DAIL EIREANN TO REASSEMBLE TO TALK FINANCES

**Will Consider Budget
for the Next Six
Months**

(By The Associated Press)
DUBLIN, Feb. 27.—The Dail Eireann will reassemble tomorrow its principle business will deal with budget of the various departments during the next six months, but preparations which have been quietly proceeding on the part of both Free Staters and Republicans indicate that the sessions will have a distinct bearing on the contest over the Anglo-Irish treaty.

The public will not be admitted to the Dail chamber, but arrangements have been made for the accommodation of press representatives.

Arriving from London today Arthur Griffith, president of the Dail Eireann conferred with Michael Collins, who has recovered from his indisposition.

Mr. Griffith this afternoon presided over a meeting of the Dail cabinet to which it is understood he reported on the week-end conference at London and discussed with the minister plans for tomorrow's meeting.

Ministry Will Continue.
According to the terms of the Ard Fheis agreement the Griffith ministry regardless of the result of the divisions taken in the Dail Eireann, will continue in existence for the next three months, but it is taken for granted that the DeValera faction will for the moral effect on the approaching election make a determined effort to overturn the slender majority by which the Griffith party came into power at the last meeting after obtaining the Dail's approval for its treaty.

The leaders of the party expressed themselves today as greatly gratified over the Lenten pastorals read yesterday in the Catholic churches thruout Ireland which announced in favor of the free state and counselled the people to avoid dissensions.

Commenting on the situation, the Dublin Evening Mail says:

"On the whole, after a decidedly bad week, things are looking much better for the treaty and its supporters."

Today a detachment of the Irish Republican army mounted guard over the bank of Ireland in college green, replacing the British troops who had performed this duty since the bank was installed in the old Irish parliament houses.

Official statistics from the Treasury Department indicate that the business of the country is very much on the upgrade. From September 6 to December 31, 1921, deposits in banks have increased over \$322,000,000. The significance of these figures is seen when it is known that during the first eight months of last year bank deposits suffered a reduction of over \$1,103,552,000.

REFUND COMMISSION SOON TO BE NAMED.

The act creating the foreign debt refunding commission was approved by President Harding on February 9th, and it is understood its membership will soon be announced, so that prompt steps may be taken to carry out the provisions of the act. While the act places tremendous power in the hands of five men, in authorizing them to refund upwards of \$11,000,000,000 of debts owed the United States, the interests of the people are completely protected by its terms. The act stipulates that the commission may not extend the time of payment of any foreign obligations beyond June 15, 1947, or accept a rate of interest at less than 4 1/4 per cent, which is the average rate paid on Liberty Bonds. When any obligation has been refunded the authority of the commission over it shall cease. No obligation can be cancelled except by its payment, and no obligations of one country can be exchanged for those of another. The authority of the commission shall come to an end on Feb-

ruary 9, 1925. As rapidly as refunding agreements are entered into copies must be transmitted at once to Congress.

GIFTED CONTRALTO GAVE CONCERT PROGRAM.

A large audience greeted Miss Frances Ingram, contralto, on her appearance in Jacksonville last evening at the Music Hall of Illinois College. The program which contained French, Italian and English songs, included the aria, "Amour Vieux Aider," from Saint Saens' "Samson and Delilah." This was rendered with intense feeling and dramatic power.

The varied choice of numbers gave the singer opportunity to display her powers of expression which were amply sufficient to meet the exigencies of the selections. Miss Ingram's fine contralto tones were a great pleasure and her diction at all times telling and clear.

The audience showed its appreciation by demanding several encores, after the second, fourth and last groups, to which the singer responded with "Niwany" by Dorothy Foster, "The Boat Song" by Harriet Ware and Wesley's "I Think When I Read That Sweet Story of Old," this last by request. Sympathetic accompaniments were given by Miss Agnes Blafka.

SUNDAY SCHOOL CONVENTION HELD

City Workers Met for Conference at Congregational Church—Opposed to Sunday Movies.

About seventy persons attended the Sunday school convention held at the Congregational church Sunday afternoon, when officers were elected and other business transacted. The principal action taken was with reference to Sunday movies, the convention adopting unanimously the resolution presented by Dr. W. E. Spotts, which reads as follows:

"Owing to the fact that an effort is being made to open the picture shows on Sunday, and as we represent the Sunday schools of the city of Jacksonville, we would hereby place ourselves on record as opposing the opening of these shows, and we urge the untiring of the Sunday school forces to defeat this proposition at the polls."

Among the addresses made were by Rev. A. P. Howells, C. L. DePew and J. S. Findley. The session closed with prayer by Dr. Spotts.

The nominating committee included Thomas V. Hopper, A. C. Rice and Henry Kamm. They recommended the following officers, who were unanimously chosen:

President—W. H. Crum.
Secretary—Miss Emma Daniels.
Children's Superintendent—Mrs. A. B. Applebee.
Young People's Superintendent—G. W. Gard.
Adult Superintendent—H. H. Vasconcellos.
Business Superintendent—T. M. Tomlinson.

WHITE HALL MAY HAVE NEW LIBRARY BUILDING

Preliminary Plans Already Drawn For Building Which Seth N. Griswold Proposes to Erect—Other News From White Hall.

White Hall, Feb. 27.—The White Hall township library has far outgrown its original size at the time of its organization seven years ago. Then it was thought a half mill tax would afford ample funds to meet necessary requirements for a public library in addition to the school library for years to come, but the demands upon the public library have become so great that new and better quarters were recently occupied in the Chapin building. The half mill tax was providing approximately \$600 per year, but values increased until last year the levy amounted to an excess of \$1,000. This, however, had to provide books, light, rent and the salary of the librarian.

With the growth of the library the librarian was called upon to devote more time and it has been necessary for private individuals to go down in their pockets to make up a deficiency occasioned by the necessity of keeping the library open daily. Another problem confronts the library board, and that is the proposal to submit a 1 3/4 mill tax at the next township election.

The added revenue is not only needed at the present time, but prospects are very bright for a new library building being erected on Whiteside Park by Mr. Seth N. Griswold provided it can be shown that the library board can show sufficient financial ability to maintain such quarters. At the present rate of income this is out of the question, and the board of trustees are fearful that a small tax such as a mill tax would meet with disfavor, and once the proposition is defeated it could not be expected to carry in the future.

However, the amount of tax is almost too small for rejection by the individual tax payer, and with its passage comes assurance of library quarters that will meet all of our needs for generations, not only for library purposes, but to take care of the rapidly growing amount of data of a local historical character, as well as relics of great value.

The new Griswold offer is far-reaching in its possibilities if the people care to make provision for it, and if the members of the library board can be made to reasonably feel sure of the success of the mill tax proposal, it will be submitted at the ensuing township election. Mr. Griswold is at present in Colorado, but there is authority for the statement that preliminary plans have already been drawn for this proposed building, and that the next step depends on the attitude of the people in making the library financially able to undertake its maintenance.

This building as planned will cost no less than \$10,000, possibly more, and there will be no string to it other than the financial requirement for its permanent upkeep. Let's insist under the circumstances upon the library board submitting the mill tax this spring and then labor for its passage by the voters.

DEATHS

Word has been received in the city of the death of Mrs. Bell Morrell which occurred at the home of her son, Frank Morrell, in Sterling, Col., last Thursday. She was due to pneumonia. Besides her son she is survived by one daughter, Mrs. Dexter, at Larned, Kas. Mrs. Morrell before her marriage was Miss Bell Morris and was at one time a resident of this city.

Adams.
The death of Mrs. Florence Adams occurred in St. Louis Sunday according to a message received here by Dr. F. M. Rule. A few days since Dr. Ruyle was summoned to St. Louis because of Mrs. Adams' serious illness and the news of her death did not come as a surprise.

The deceased was a sister of the late Mrs. Alexander Smith and is survived by her son, Alexander Smith, who was an adopted son of Captain Alexander Smith.

The remains are to arrive Tuesday night and are to be taken to the Reynolds Mortuary.

Black.
Meredosia, Ill. Feb. 27.—The death of William Pierson Black occurred 8:30 o'clock Monday morning at his residence at the age of 86 years. He had been bedfast for the past four weeks and a constant sufferer for many years. The deceased had been a resident of this city for the last forty-five years.

Surviving members of the family are the widow and two daughters, Mrs. Albert Butcher and Mrs. L. H. Yost both residents of this place. The funeral will be held at the home Wednesday afternoon at 2:30 and interment will be here.

Howden.
The death of Mrs. Mabel Jones Howden came at 11:45 o'clock Monday morning at a local hospital, where the deceased had been under treatment for a long period. Mrs. Howden was born at Dixon, Ill., on Oct. 17, 1879, and was a daughter of Mr. and Mrs. H. G. Jones, residing at 315 North Fayette street in this city. The deceased spent most of her girlhood days in this city, where she was a student at the high school and later graduated from the Illinois Conservatory of Music. For several years prior to her marriage Mrs. Howden taught piano in this city. The deceased was married to C. W. Howden on June 11, 1906. Their home was for a time in Chicago, then in this city and later in Louisiana, where Mr. Howden is now in the book and stationery business.

Surviving are the husband and parents, together with one brother, William T. Jones of White Hall.

The remains were taken to the Cady undertaking parlors and may be viewed there today by friends. Tomorrow morning they will be removed to Louisiana, where the funeral will be held at 2:30 o'clock tomorrow afternoon at Calvary Episcopal church.

PLANS FOR AUTO SHOW COMPLETED

Reports of Committees Show Splendid Progress—Only 23 Booths Remain to Be Sold—Will Be Big Affair.

The Jacksonville Automobile Dealers association held its regular monthly meeting Monday night at the Dunlap hotel preceded by a six o'clock baked chicken dinner. There was practically a full attendance of the members and one guest, A. Day of Moline representing the Moline Plow Works.

The business of the evening was routine only, the hearing of reports of progress by chairmen in charge of arranging for the coming Automobile Show, Merchants & Manufacturers exposition which will be held in this city the last week of March.

Splendid results have been had in the sale of booths, Mr. Claus reporting that but 23 remain out of a total of 138, and that he had been asked to give options on a number of those left by persons and firms who desire to exhibit and are making preparations therefore. The probabilities therefore are that the remaining booths will be taken up within the next week or ten days.

The exhibits this spring will be larger and more varied than heretofore and everything points to a show unequalled by any in the state. The entire west and north sections of the Auto Inn have been taken by the automotive dealers who are arranging to show many models of well known cars.

The east side of the Inn has been reserved for merchants and manufacturers and it is on this side that the 23 remaining booths are located.

Plans are being made so that the public will find plenty to see and do during the entire week. As has been the custom in the past there will be no admission charge at the door.

DR. RAWLINGS TALKED ABOUT PUBLIC HEALTH

Chief of State Department Emphasizes Value of Pure Water and Milk—Medical Inspection Next Week.

At the Congregational church Sunday night, Dr. Isaac Rawlings gave an interesting presentation of various subjects relating to public health. Dr. Rawlings said that a pure water and milk supply and an organization for the control of communicable diseases would work wonders in public health.

He gave some statistics from Chicago to show how often epidemics were due to impure milk and water. Now that a pure water supply has been secured for Chicago, the deaths from typhoid fever have been reduced to a very low figure. In that city the pasteurization of milk has been found necessary, and since the ordinance has been effective requiring pasteurization, there has been a great reduction in the number of deaths of children.

The speaker cited an instance in Edgar county to show the danger of tuberculosis if the milk of a tubercular cow is used for food purposes. In one family their five children became afflicted with tuberculosis from such a cause. Pasteurization has been in effect in Chicago for five years and there has been no epidemic of any disease which can be traced to milk since that time.

Pure water and milk in any community will reduce the death rate and Dr. Rawlings referred to the fine progress made here in Jacksonville in securing these two good health essentials. Taking up the question of health organization for the prevention of communicable diseases, Dr. Rawlings outlined the work of nurses in the inspection of school children. If this work is done thoroughly remarkable results can be achieved in the control of diseases.

The speaker then made special reference to vaccination and the certainty that it will prevent smallpox. He said that Germany had originally set an excellent example in this matter, requiring that every child shall be vaccinated before the age of one year. In Vienna vaccination is so general that a case of smallpox is exceedingly rare.

The records of the war-time showing 25 percent of the young men examined as physically defective and unfit for service, were used to prove the advantage there is in inspection and the other health work that goes along with such inspection.

Dr. Rawlings then referred to the fact that a health officer is to be placed in charge in this county, and expressed the hope that the work will be so successful that the same plan will be followed in all other counties in the state.

The speaker said that no county has a more progressive medical fraternity than here and that the physicians and surgeons had all indicated their desire to cooperate in the work.

At the conclusion of the address came a question and answer period which added greatly to the pleasure of the occasion. Dr. Rawlings has made a remarkable record in public health work in Chicago and speaks from abundant experience on that subject.

SOLDIER'S GRAVE MARKED

White Hall, Feb. 27. — John Overby and Calvin Moore drove down to Sweetin cemetery Saturday with a military marker for the grave of one Wm. F. McClenning.

A veteran of the Civil War, sergeant of Company G, 59th Illinois Infantry, who died in 1872. This marker was ordered a year ago when the cemetery was visited by Ora Brown on the same kind of a mission. Then the cemetery was intact, but when Messrs. Overby and Monroe were there Saturday they found the burial grounds being used for pasture, and that most of the stones had been knocked down by grazing cattle.

The grave could not be located by anyone in the neighborhood that day, and a final effort will be made through Oren Engewater, who has moved from the neighborhood to the Fairbanks ranch, and who superintended the Swedish cemetery and kept it intact as long as he was there.

This is an instance of what is becoming of the graves of many of the country's defenders, and the suggestion will likely have to be followed by grouping such markers about the soldiers' monument at White Hall, which will stand as long as anything stands at present available for memorial purposes. The Sweetin cemetery is (or was) located twelve miles southwest of White Hall in the Bridgewater neighborhood.

PICTURE BRINGS BACK
VIVID WAR MEMORIES

Reaugh Jennings, adjutant of the Jacksonville American Legion post, and deputy in the office of the circuit clerk recently received several pictures sent him from the government office in Washington. They are reproductions of pictures taken overseas several months prior to the signing of the armistice. One of the pictures, No. 15921, shows "Major John A. Randolph, senior chaplain of the second division, holding a service previous to going into the front line." The men are members of the Co. F, Second Engineers of the Chateau Thierry June 30, 1918. Mr. Jennings served in this company and is one of the group. He saw the picture reproduced in the Saturday Evening Post and as he distinctly remembered the occasion

he immediately sent to Washington for one of the pictures. Another picture, No. 14670, shows German prisoners captured in the battle in the woods near the north part of Boisie Belleu, by members of the fourth brigade U. S. marines. The picture was taken June 12, 1918. This and another picture showing wounded soldiers being placed in a French ambulance were secured simply because of Mr. Jennings' interest in the events. The government has list of thousands of such pictures arranged by divisions and ex-service men select and secure the pictures they seek by payment of very modest charges. The Fine Point Club will move Friday afternoon at 2:30 o'clock with Mrs. Edward W. Brown, 1042 West State street. A full attendance is desired as sewing will be done for Passavant hospital.

Take Game From Wisconsin With Two Field Baskets From the Middle of the Floor. URBANA, Ill., Feb. 27.—Illinois defeated Wisconsin basketball game tonight. Wisconsin led until the last few minutes of play, when Illinois forged into the lead by making two baskets from the middle of the floor. At the end of the first half the Badgers were leading 24 to 18 and during the early part of the last half they increased the lead. The tide changed when Potter and Popken, Illinois midlets replaced Stillwell an Tabor, Captain Carney going to center. With only a few minutes of play remaining Popken made a basket from the middle of the floor, tying the score and a moment later Potter duplicated his feat with the winning basket. Carney scored 15 points for Illinois, while Taylor was responsible for 14 of Wisconsin's. The score follows: Wisconsin (35) B. F. P. T. FAST AND WINS

Take Game From Wisconsin With Two Field Baskets From the Middle of the Floor. URBANA, Ill., Feb. 27.—Illinois defeated Wisconsin basketball game tonight. Wisconsin led until the last few minutes of play, when Illinois forged into the lead by making two baskets from the middle of the floor. At the end of the first half the Badgers were leading 24 to 18 and during the early part of the last half they increased the lead. The tide changed when Potter and Popken, Illinois midlets replaced Stillwell an Tabor, Captain Carney going to center. With only a few minutes of play remaining Popken made a basket from the middle of the floor, tying the score and a moment later Potter duplicated his feat with the winning basket. Carney scored 15 points for Illinois, while Taylor was responsible for 14 of Wisconsin's. The score follows: Wisconsin (35) B. F. P. T. Caesar, df. 4 1 1 1 Taylor, rf. 5 4 4 1 Gibbons, c. 4 0 1 0 Tebell, rg. 0 0 2 0 Williams, lg. 1 0 1 2 Cage, lf. 1 0 0 1 Totals 15 5 9 5 Illinois (37) B. F. P. T. ASHLAND BOWS
TO MT. PULASKI

Lose to Visitors by Score of 31 to 23—Game Tied at United Six Times. Ashland, Feb. 27.—Ashland High lost to Mt. Pulaski High here tonight by a score of 31 to 28. The game was fast and exciting the score being tied six times during the contest. Mt. Pulaski proved one of the strongest teams that has appeared on the Ashland floor this season and the game was a battle royal from the first to the last whistle. However, in the final minutes of play Mt. Pulaski forged to the front and secured a slight lead which they were able to maintain. Elmore continued his good work and was the star of the Ashland team on offense, getting 12 points. Sorrells at guard did excellent work and it was his brilliant playing that held the visitors score down. Tomlinson was the scoring star for Mt. Pulaski. This player made a total of 17 points and it was his individual work that enabled his team to finally score a victory. Ashland is entered in the local district tournament and is in the same class with Jacksonville. They promise to be one of the strongest contenders in the division. The score: Ashland—F. G. F. T. T. S. Harding, f. 3 2 8 Elmore, f. 6 0 12 Hinds, f. 0 0 0 Raines, c. 3 0 6 Strubling, g. 0 0 0 Sorrells, g. 1 0 2 Totals 13 2 28 Mt. Pulaski—F. G. F. T. T. The game was witnessed by only a fair sized crowd. The Dokays are putting up an excellent game and if the fans will give them proper support some first class teams will be brought here for games. However, it takes money to do this and unless the attendance is better it is probable that but few games will be played. The score: Dokays—F. G. F. T. T. NOTRE DAME WILL HAVE ONLY RELAY TEAM. SOUTH BEND, Ind., Feb. 27.—With the possible exception of a medley relay team, Notre Dame will not be represented at the Illinois relays Saturday. The injury which Gus Desch sustained at the Illinois-Notre Dame dual last Saturday will not only keep him from the dash and hurdles but will prevent the mile relay team from participating. Montague, another member of the mile quartet was spiked in the quarter mile and will not be able to run. Bill Hayes is still out of condition. DOWNEY MATCHED WITH TED CLOCK. INDIANAPOLIS, Ind., Feb. 27.—Bryan Downey of Cleveland, claimant of the middleweight boxing championship of the world and Ted Block of Detroit, said to have recently won the Pacific Coast middleweight championship, will box ten rounds here on March 12, it was announced tonight.

POOR MILLIKIN GETS WALLOP AGAIN. MONMOUTH, Ill., Feb. 27.—Monmouth defeated Millikin 23 to 21 in an exciting basketball game today going into the lead for the I. I. A. C. championship. The title winner probably will be decided here Wednesday night when Knox plays Monmouth. The Jewish Relief Drive ends March 1st. Mail your contributions at once to Ben Cohen, chairman. Shall they plead in vain? Help save a few souls. FAREWELL PARTY IS GIVEN AT MURRAYVILLE. Members of the junior class and the faculty at the Murrayville high school gave a farewell party Monday evening in honor of Miss Fontella Couchman, who with her parents, will soon leave for Jacksonville. The affair was held at the Couchman home, which was prettily decorated in the class colors of pink and white. Games and contests furnished a delightful program and refreshments of a suitable kind were served. Miss Couchman's friends regret that she is so soon to leave the community, but wish her much happiness in her new home.

SIXTY SCHOOLS IN ILLINOIS U. RELAYS. URBANA, Ill., Feb. 25.—(By the A. P.)—With the entrance of athletes from the university of Pennsylvania, the total number of universities and colleges to compete in the fifth annual University of Illinois Relay Carnival, March 4, passes the sixty mark today. More than 300 athletes have been entered by the various schools. The University of Pennsylvania entry include nine stars in the 75 yard dash, 300 yard, 1,000 yard, and 1,500 yard runs, and the one mile and two mile relay events. The Pennsylvania entry will make the representation from the east more outstanding than ever before as Johns Hopkins, Georgetown and others will compete. Rice Institute of Houston, Texas, will be represented by its star dash man, Lindsey, who is expected to make the 75 yard dash on the armory straightaway in close to the record time set here by Scholtz, the Missouri sprinter two years ago. One of the features will be the "Medley Relay" a novel event originated by Coach Harry Gill of the Illinois track team. In this event, the first two men run a quarter mile, the third man a half mile, and the last or anchor man, a mile. Because of the number of teams entered, it is planned to run all preliminaries on Friday night, March 3, with the night of the fourth reserved for finals only. The mark that the athletes will try for on these two nights is the American Amateur record in the various events. CORPORATIONS ARE LICENSED. Springfield, Ill.—By The A. Temperature

People are all more or less alike.

We get up in the morning not knowing whether it is cold or hot outside.

We guide ourselves more or less by the thermometer. If it registers high we complain how hot it is. If it registers low we freeze and complain.

The same with prices today.

People come in and ask our prices. After we tell them, they often remark that the prices are either too high or too low for good merchandise.

Let us try to overcome this skeptical feeling.

Our prices on tailored-to-measure clothing are right and in line with the quality of our merchandise.

Get away from the thermometer habit—buy as you feel—not as someone feels for you.

WELL KNOWN RESIDENT OF SCOTT COUNTY DIES

Mrs. Jacob Christison Passed Away After Long Illness at Home North of Winchester—Play Was Success—Other Winchester News.

Winchester, Feb. 27.—Funeral services for the late Mrs. Jacob Christison will be held at two o'clock Tuesday forenoon from the late home north of Winchester in charge of Rev. W. R. Johnson, pastor of the Baptist church. Interment will be in Winchester cemetery.

Mrs. Christison passed away Saturday after an illness of several weeks. She was born Nov. 24, 1855, at Exeter, and so was past fifty-two years of age. She leaves her husband and four daughters: Misses Vivian and Hazel at home; Mrs. Estelle Williams of Clinton; and Mrs. Lucie Smothers of Winchester. She is also survived by her step-mother, Mrs. F. M. Dunham of Bluffs.

Mrs. Christison was a woman of lovable character, a devoted wife and mother. She was a member of the Baptist church and will be greatly missed in the home and community.

The services in the Methodist, Baptist and Christian churches were all well attended. Numerous new members were baptized and received into the churches.

The play "All of a Sudden Peggy" was presented under the direction of Mrs. David Hainsfurther at the Lyric theatre Monday evening. There was a large audience present and they greatly enjoyed the play. All who took part in the performance did so in a very creditable manner and deserved great credit for their fine work. James Tankersley was unable to take his part because of illness and this vacancy in the cast was filled by R. Lowenstein of White Hall. Mr. Lowenstein filled the role with great acceptance.

The play was to have been repeated Tuesday night but this engagement has been cancelled. However, it will be presented in White Hall Wednesday evening.

James Tankersley is ill at his home on North Main street. His many friends are hoping for his speedy recovery.

Dr. E. E. Violette left Saturday for his home in Kansas City.

Miss Kate Rough is quite ill at her home on North Main street.

B. W. Watson of St. Louis spent Sunday with his mother here.

Elmer Mason of Canton was here Saturday and Sunday to visit his mother.

Plans have been under way for some time and members are looking forward to a most pleasant evening. Supper will be served at 6 o'clock and following this there will be a short program given. The Short family will appear in musical numbers. Miss Beulah Tull will sing and Miss Conboy will give a violin solo.

After the program the remainder of the evening will be spent in dancing and socially.

M. A. BILLINGS DIED AT ADVANCED AGE

Deceased Had Lived Near Manchester Many Years—Will Present "Mary's Millions" at Alsey.

Manchester, Feb. 27.—Marion A. Billings passed away at ten o'clock Monday at the home of his sister, Mrs. Noah Hudson, between Manchester and Roodhouse. The deceased was 73 years of age and was a brother of Mrs. Emily Hayes of this city. Funeral services will be held at the Manchester Christian church at two o'clock Wednesday afternoon, and interment will be made in the Manchester cemetery.

The high school students who recently presented "Mary's Millions" here will present the play at Alsey Wednesday night. There is a good sized cast and they gave evidence of unusual talent in the production.

Mr. and Mrs. T. G. Beadles and children and Mr. and Mrs. Arthur King of Murrayville were guests Sunday at the home of Mr. and Mrs. Albert Greenwalt.

Mr. and Mrs. Curtis Kelly visited friends in Roodhouse Sunday.

Mrs. G. N. Lucas and Mrs. William Duncan, both of whom have been ill, are now showing a gratifying improvement.

The fourth number of the Lyceum course will be given Thursday evening at the Methodist church. Melwood Robert Monlove, "the man of many faces," will be the attraction.

Isaac Nunes and family moved Monday from the Marsh farm east of Manchester to a farm near Beardstown.

Mrs. Walter Rimbey and little daughter Opal are both on the sick list.

Marion Voyles spent Sunday with friends in Greenfield.

Mrs. Mary Elmore is confined to her home by illness.

Rev. Olin Lee was unable to fill his pulpit at the M. E. church Sunday morning and evening because of illness.

Mrs. Josephine Rochester and grandson Millard Murray, returned Sunday from a week's visit with relatives in Nortonville and Scottville.

BLOOMINGTON, Ill. Feb. 27.—Thieves robbed the homes of two priests here last night, securing \$150. They were frightened away attempting to rob the home of a third priest.

SUNDAY SCHOOL INTEREST INCREASES

Remarkable Growth Shown in White Hall and Roodhouse.

White Hall, Feb. 27.—There is a continued growth in the attendance upon Sunday school and church services that is of the substantial variety, and this growth is characteristic of the churches of both Roodhouse and White Hall. Roodhouse claims credit for the increasing interest in church affairs as the cause of the increased interest at White Hall. Sunday the 19th the five Sunday schools at White Hall reported a total attendance of 557 and the Roodhouse Record joined with a statement that 652 were present at the three Sunday schools in Roodhouse on that day.

On Sunday, the 26th, the combined attendance at White Hall was 660, and no Sunday school reports any mushroom effort; that on account of sickness among children in recent weeks the attendance is merely getting back to normal.

Chas. Marks' class of young men of the M. E. Sunday school were guests of the Wendell class of the First Baptist Sunday school and the exchange of felicitations points to a most encouraging situation as to the future mutual relations among the Sunday schools and churches. The church has been nearly down and out, and only as it undertakes practical things and faces present-day issues for the betterment of civilization will the church continue to expand and grow. The Wendell class alone had an attendance of 52 men, and they will attend the M. E. Sunday school later.

There was a union service Sunday night to welcome the new pastor of the First Baptist church, Rev. L. E. Ellison, and the singing was by the men's chorus of 20 voices. This is the oldest church organization in White Hall, being founded as the Baptized Church of Jesus Christ in 1827 at a meeting on Henderson creek, its first members being composed of adherents of an anti-slavery organization known as friends of humanity. It is, therefore, in the 95th year of its history. In 1836 a house of worship was erected on the west side of South Main street, and the present brick structure on Carrollton street was erected in 1891 under the leadership of Rev. H. L. Derr, now of East St. Louis.

In 1839 the preliminary meeting to organize what is now the Baptist State Convention met with this church. The meeting was called by John Mason Peck D. D., the founder of Shurtleff College. Delegates were present from all parts of the state.

From the date of its organization this church has been distinctly a missionary church, standing identified with the work of the Baptist State Convention from the time of the organization of the state body to the present time. The present active membership is about 300, and has the largest Sunday school in the city, with an enrollment of 300 and an average attendance of a little in excess of 200, embracing the largest organized men's Bible class in this part of the state.

A masquerade party was given Monday evening at the home of Mr. and Mrs. O. E. Ryan, south of Alexander. The affair was planned as a benefit for Our Saviour's hospital, each person who came unmasked being fined a small sum. The attendance was large and many of those present made voluntary donations, so that quite a goodly sum was realized from the event. Refreshments were served during the evening and altogether it was a very pleasant and worthwhile occasion.

CARD PARTY AND DANCE AT FRANKLIN HALL

The Ladies of the Sacred Heart church at Franklin, gave a card party and dance Monday evening at Marquette hall.

A great many young people were present and they thoroughly enjoyed the dancing, music for which was furnished by Miss Dorothea Sargent. Five hundred was also an amusement feature which many enjoyed. A lunch was served during the evening.

A recent item in the Journal stated that Mrs. Wallace Carter was a guest at the home of her mother, Mrs. E. N. Adams, in Woodson. This was in error, and should have stated that Mrs. Adams visited her daughter at the home of W. W. Carter, south of the city.

Miss Eleanor Walker spent the week-end in St. Louis, visiting relatives and friends.

W. A. Shoemaker of the Shiloh vicinity journeyed to the city yesterday.

Relieves Rheumatism

Musterole loosens up stiff joints and drives out pain. A clean, white ointment, made with oil of mustard, it usually brings relief as soon as you start to rub it on.

It does all the good work of the old-fashioned mustard plaster, without the blister. Doctors and nurses often recommend its use.

Get Musterole today at your drug store. 35 and 65c in jars and tubes; hospital size, \$3.00.

LOCAL COLLEGE WINS IN SPELLING

Brown's Business college of this city, won in the monthly spelling contest in competition with the chain of Read schools. The contests now are conducted on a new system. Heretofore, the best spellers were chosen. Now the contest embraces the entire school.

In the local school 74 were entered and 25 qualified, while in the Springfield school 183 entered and only five qualified with necessary grades.

Principal Cibaugh said yesterday that he was gratified with the showing of the local school. More particularly because the grade here is set at 98, while the standard in the Springfield school is 90.

THIS IS THE LAST DAY OF THIS MONTH AND TO BOOM FEBRUARY BUSINESS WE OFFER A LIBERAL DISCOUNT ON ALL NEW SPRING COATS, SUITS, DRESSES AND MILLINERY, AT HERMAN'S.

WILL TALK OF WATER MAIN EXTENSION.

The extension of water mains in Jacksonville will be the subject for discussion at the Chamber of Commerce Forum meeting to be held this evening at seven forty-five o'clock. Dr. J. R. Harter, chairman of the committee on this project will have charge of the meeting and will give a report of the work of the committee and of the proposed extension in the Jacksonville water main system. General discussion by members of the committee and open discussion by members of the Chamber of Commerce will follow the reports.

The chamber has been fortunate in securing A. W. Hutchins of the United States Chamber of Commerce of Washington D. C., to make a brief address tonight. Mr. Hutchins is an able and eloquent speaker and has lectured on community subjects all over the country. He is fully acquainted with present day problems and will speak tonight on important economic problems of interest to every one. The Indianapolis Sun says of Mr. Hutchins: "A lecturer of the first rank. Such an address will do more help to a community than twenty sermons."

Following the forum discussion of the water problem and the address by Mr. Hutchins there will be a general social hour and smoker. Refreshments will be served at the close of the evening.

THE LAST DAY OF FEBRUARY DISCOUNT SALE OF COATS, SUITS AND MILLINERY TODAY AT HERMAN'S

MRS. LINTON BETTER. The many friends of Evangelist D. C. Linton will be pleased to learn that Mrs. Linton, who has undergone a very serious operation in the hospital in Danville, Ill., is much better.

Mr. Linton was able to come to the meeting he is conducting at Chatham, and reports to district Superintendent Fletcher that there have been 9 conversions during the last four days of the past week.

WILL RECEIVE BIDS FOR FIRE EXTINGUISHERS

The Building and Supply committee of the Board of Education will receive bids for five extinguishers, two gallons and a half size, complete with hanger and brackets, same to bear the approval of the Underwriters Board. Bids to be left at the office of the superintendent of schools by noon (12 o'clock) the Third day of March, 1922. The committee reserves the right to reject any and all bids.

CARD OF THANKS. We wish to thank the many friends and neighbors, who assisted us so kindly during the illness and after the death of our father, John Barber, also for the many beautiful flowers.
The Children.

Grace Church Notes

Fifty men were in attendance in the Men's Bible class, an unusually profitable lesson hour was spent. Mayor Crabtree was present and addressed the class pleading for the support and cooperation of the men's organized Bible classes in making Jacksonville a cleaner and more moral city. The newly organized Young Married People's class starts off favorably, a very creditable crowd being present. This class has a great future.

Considerable time was spent in the opening exercises explaining the points to be counted in the approaching contest with the Grace Sunday school of Bloomington, Ill., which opens up next Sunday. The next few weeks bid fair to stimulate increased interest in the work of the Sunday school and record breaking attendances will no doubt be reported. There were present Sunday 390 and the offering amounted to \$15.75.

The pastor occupied the pulpit both morning and evening and preached strong helpful sermons. Intermediate League met at 2:30 with Miss Agnes Davis, superintendent. Epworth League met at 6:30 with Ellsworth Scott as the leader with a splendid attendance of young people present.

The school of religion meets Tuesday evening at the Woman's college. Very profitable courses are offered in this school each week. All are welcome. On Wednesday evening the annual get together of the Fathers and Sons of Grace church will be held. Banquet will be served promptly at 6:15 every boy of the Sunday school from the junior department up to the high school is expected and urged to attend as supper will be provided for all the boys. A splendid program is being arranged. Boy Scout troop meets Friday evening as usual. Next Sunday Dr. Wade, secretary of the Chicago area, will occupy the pulpit in the morning and in the evening a missionary pageant will be put on under the direction of Dr. Osborne, a specialist in this line of work.

SHOW PICTURE OF EDISON'S LIFE AT HIGH SCHOOL

At the close of school yesterday a three reel picture showing the life and work of Thomas Edison, the great wizard of the twentieth century, was given in the high school auditorium. The picture was free to all high school students who cared to attend and there were also about forty students from the School for the Deaf who went to see the picture.

This afternoon Principal Shaffer of the high school will distribute to the high school students all the season tickets for the district tournament which have been asked for up to date. A request was received from the White Hall high school yesterday asking for ten more tickets. This makes a total of 81 tickets asked for by the Greene county school.

The picture to be shown at the high school tonight is a dramatization of Charles Dickens' novel, "Dombey & Son." The play is one of the best that has been shown at the high school and will no doubt attract a large crowd. The price is fifteen cents to all except to grade school pupils below the junior high who will be admitted for ten cents.

The program for the Junior debate at the high school March 4th has been announced as follows:

Debate, "Resolved, that the policy of the 'open shop' is justifiable." Affirmative, Ida Vollrath and Robert Bentley. Negative, Dorothy Dunavan and Earl Hoover.

General discussion of the question stated above.
Five minute talk by Alleen Babjohns.

White Rock Gasoline and Lubricating Oils and service that you'll like at the Service Station on North Main street, opposite Cherry's Annex.

WOODSON RED CROSS TO GIVE SUPPER

An interesting meeting of the Red Cross nursing activities committee is planned for Wednesday night of this week at Woodson. A number of people from Jacksonville and other points in the county will be in attendance and an especially good meeting is expected. A cafeteria supper will be served at seven thirty at the Woodson Christian church and the Woodson band has agreed to furnish music for the occasion.

After supper a program of music by the band and talks by several people interested in Red Cross work will be given. Dr. H. C. Woltman, the county physician, will make an address and Mr. Kohlhoff of the Federal Board of Vocational Training at the Jacksonville State Hospital will talk. Earl Spink of Jacksonville will also talk on the work of the Red Cross in this city.

H. O. Phelps, former proprietor of the Loop Electric Co., is now connected with Doyle Bros., and solicits the patronage of his customers.

COLLEGE DEANS HELD CHICAGO CONFERENCE

The annual session of the National Association of College Deans was held at the Blackstone hotel in Chicago three days last week. Miss Olive Austin, dean of Illinois Woman's college, who was in attendance, returned to Jacksonville Monday. Subjects of unusual interest and importance were discussed at the various sessions. Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, riping cathartics are derived from Dr. Edwards' Olive Tablets without gripping pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 15c and 30c.

Common Sense About Eczema and Eruptions!

Here's Something About S. S. That You'll Be Glad to Hear.

You might just as well know it right now—the cause of skin eruptions, pimples, blackheads, boils and so on, is right in the blood. Science has proved it. We prove it. You can prove it. When the cause of skin troubles and eruptions is in the blood, it isn't com-

mon sense to simply treat the skin. A bottle of S. S. will prove to you what is happening in your blood. S. S. is a scientific blood cleanser—it drives out the impurities which cause eczema, tetter, rash, pimples, boils, blackheads, blotches and other skin eruptions. When these impurities are driven out, you can't stop several very nice things from happening. Your lips turn naturally rosy. Your eyes sparkle, your complexion clears. It becomes beautiful. Your face looks like that of a prosperous, ruddy, well-fed, refined gentleman, or if you are a woman, your complexion becomes the real kind of beauty that the whole world admires. S. S. is also a powerful body-builder, because it builds new, more blood—checks, poor necks, thin limbs, helps you gain lost flesh. It costs little to have skin happen to you. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.

SHIPMENTS OF BUTTER DELAYED

(By Associated Press.) CHICAGO, Feb. 27.—Shipments of butter were delayed today and dealers are anticipating further delays due to bad weather in Wisconsin and Minnesota. As a result the market was firm. Dealers were offering their goods sparingly and buyers were trying to increase their stocks. Fine butter and butter below 88 score was scarce. The medium grades were a little harder to move. Fresh cars of centralized was very scarce and firm. There was some inquiry for storage cars.

STOCK EXCHANGE HAS ACTIVE DAY

NEW YORK, Feb. 27.—Foreign developments over the week-end were accelerating factors in the great strength and activity shown by the stock market during the first half of today's session. Leaders making extreme gains of 1 to 4 points.

Practically all of the advance was lost in the final hour when selling of steels, oils tobaccos and chemicals caused a heavy close at extreme reversals of 1 to 5 points from maximum quotations.

Transactions again were broad, aggregating 1,000,000 shares. The outcome of the meeting between the British and French premiers which imparted buoyancy to the market in the forenoon. Domestic advances also offered ground for encouragement, importance being attached by bankers to the senate committee's favorable report on the treaties adopted by the arms conference.

Rails were the mainstay of the market, yielding only moderately when such issues as Baldwin and American Locomotives and Independent steels, Studabaker, Mexican Petroleum, California Petroleum, Tobacco Products, Retail Stores and Davison Chemical were under fire at net loss of one to four points.

The money market opened at 5 per cent for call loans and yield gradually to 4 1/2 per cent. Short time loans were unchanged at 4 1/2 per cent and few longer maturities were reported.

Buying of Liberty Bonds expanded, all several of those issues closed at slight losses. Total sales (par value) aggregated \$19,275,000.

PRICE OF WHEAT TAKES ADVANCE

By Associated Press. CHICAGO, Feb. 27.—Wheat ran up in price to within 1/4 of \$1.50 a bushel today, barely missing the height which for months has been the ambition of bulls. Fresh signs of European needs of breadstuffs gave the impetus, but the rise tempted heavy profit-taking sales and the market reacted, closing unsettled at 1c net decline to 1/4 advance. With May 1 1/4 at \$1.47 1/2 and July 1 1/4 at \$1.25 1/2, Corn finished 1/2 to 1c of oats at a shade decline to 1 1/2 1/2 gain, and provisions up to 15 to 40c.

At first the wheat market showed a scarcity of offerings and

PAVING ORDINANCES READ TO COUNCIL

Measures for West College Ave. and East State Street Presented—Chief Hunt Asks Ban on Phone Calls When Fire Alarm Sounds.

Two paving ordinances were given the first reading at the session of the city council Monday night, providing for improvement of West College avenue and East State street from Johnson street to the city limits. Alderman R. Y. Rowe was chosen mayor pro tem in the absence of Mayor Crabtree.

The roll call by City Clerk Scott showed the others present were, Aldermen Cain, Ehnie, Longman, Flynn and McGinnis. A communication was read from Austin Carter asking that a group of young colored men be permitted to drill in the old light plant building. This permission was granted.

Alderman Ehnie reported that the bond for T. H. Burdette who has been awarded the city garbage contract is being prepared by the city attorney. Alderman McGinnis reported that the police will take the proper action in connection with the new rules now in effect, whereby the county shares the cost of contagious disease expenditures with the city.

A communication was received from Samuel Hunt, fire chief, addressed to Alderman McGinnis, chairman of the fire committee, with reference to telephone calls when the fire alarm sounds. This communication was referred to formed and consists of advanced fire chief phone calls.

Fire Chief on Phone Calls.

Fire Chief on Phone Calls.

"Since the adoption of the two plan system it is very important that the fire chief be able to get the telephone central promptly in case of fire. Also that in case of an accident at the fire or another alarm is to be given in case of a large fire or numerous calls, it is very necessary to get central in a hurry. As I understand, when the fire whistle blows thousands of disinterested people call the telephone central to inquire where the fire is, which causes congestion at the telephone central and important calls have to wait, making it dangerous on account of being unable to get central."

I would recommend that you have the council request the telephone company to quit giving the location of all fires to the public and that they notify all firemen's residences and the water pump station. If this be done it will leave the telephone central free to handle any emergency calls without delay.

The ordinances for the West College avenue pavement and for the East State street pavement beyond Johnson street, were read and carried over until the next regular meeting. The council then adjourned.

Casey's Fun Revue Given Before Large Audience—Will be Repeated This Evening.

"Casey's Fun Revue" given by the Knights of Columbus last evening at Liberty Hall was greeted by a large and appreciative audience.

The "Revue" consisted of a minstrel act and vaudeville offering of high merit and was the annual feature of Jacksonville Lodge No. 868.

Other entertainments given by the Knights in the past have ranked very high in talent and have pleased large audiences but in the opinion of many who witnessed last night's performance "Casey's Fun Revue" was the best entertainment the Knights have ever given the public.

The first part of the program was the minstrel. This was composed of the following persons: Thomas Duffner, interactor; end men, Harvey Dowling, Tom O'Brien, Joe Hennessey, James Davidson, Dave Conrad and George Martin. The circle was composed of John Roach, William Rook, Ray Zell, Jim Flynn, Reginald Sener, George Ketterling, John McNamara, Joe Hosp, William Sehy, Charles Carson, Edward Mandeville, Leo Clancy, Leo May, Leo Flood, William Wagoner, Carl Hamilton, Albert Strasser and Edwin Mahoney.

The specialties of the minstrel act were all executed in a pleasing manner. The singing of Joe Hennessey, "I've Got My Habits On," was deservedly applauded as well as Harvey Dowling who sang "Brother Low Down." John Zell sang, "Don't You Remember the Time," which was followed by Dave Conrad in "Watch a Case."

James Davidson brought down the house in his song entitled "The Chasing Chasers." The comic songs were all pleasingly rendered and were followed by Albert Strasser in "The Reels of St. Mary" with a chorus ensemble which closed the first part of the offering.

Part two consisted of chorus singing and specialty acts and some of Jacksonville's best musical talent took part. "Ty Tee" by Miss Louise Renner was a favor that especially pleased the audience and the duet by Miss Mary Clancy and Mr. William Rook was also a number that received hearty applause. A chorus featuring "Daisy Day" led by Miss Josephine Gebert and composed of the Misses Mandeville, Dowling, McCarthy, Rexroat, Clancy, Walbaum, Leonard, Crotty, Carrigan and Blesse was an outstanding feature of the entertainment and the costumes were especially pretty and pleasing.

The aesthetic dancing of the little Misses Gebert and Brennan was a feature that stood out in bold relief from all others. These little Misses won the admiration of every one.

The "Babylon" chorus led by the Misses Clancy and McCarthy received due applause and "Honolulu Honey" by Miss Frances Dowling and others closed the revue.

The entertainment was under the direction of the following committees, and to them the success of the evening is largely due: Mr. Leo J. Flood was the general chairman; William Ehnie, Jr., was chairman of the program committee; Mr. Albert Strasser, chairman of the production committee; Mr. Carl Hamilton, chairman of the ticket committee; and Miss Nelle Self, stage director.

TALENT COMMITTEE

OF D. A. R. MUETS

An enthusiastic meeting of the table committee of the Rev. James Caldwell Chapter, D. A. R., was held Monday afternoon at the Duncan Memorial. A number of new tablets were purchased and the work of securing others considered.

The Gold Star tablet which will contain the names of the 63 Morgan county men who gave up their lives in the world war was given a great deal of attention. The committee on this tablet includes Mrs. Lillian L. Danskin, Mrs. Herbert Capps, Mr. Thomas Barber and Mrs. W. L. Alexander. Contributions ranging from \$100 to much smaller amounts will be solicited to help pay for this tablet, which will be a permanent memorial to our heroic dead. The arranging of the names and dates for these tablets is the hands of a committee composed of Mrs. Miller Weir, Mrs. Herbert Capps, and Miss Frances Wood.

Over 200 tablets have been purchased and the Vermont Marble Co., which has the contract, will begin work on the carving of the names and dates on these tablets. The contract calls for the finishing of the work by May 15, and it is expected that the immediate installation of them will result in the securing of a large number of new names.

The Jewish Relief Drive ends March 1st. Mail your contributions at once to Ben Cohen, chairman. Shall they plead in vain? Help save a few souls.

D. C. DILTZ PARENTS

MARRIED FIFTY YEARS

The Columbus, (Ohio), Dispatch in a recent issue carries pictures of Mr. and Mrs. Chauncey J. Diltz, residing at 366 South Fifth street, Columbus, who have just celebrated their 50th wedding anniversary. The paper mentions that Mr. and Mrs. Diltz who have lived in Columbus for twenty years, were married at Urbana, Ohio. Subsequently they lived in Kansas, Oklahoma and Chicago before returning to Ohio.

Mr. and Mrs. Diltz are still in vigorous health and Mr. Diltz is found daily at his desk in the Big Four freight offices. The bride and groom of fifty years have four children: C. S. of Chickasha, O.; D. C. Diltz, of Jacksonville; Mrs. G. K. McDowell, and Mrs. H. G. Stouffer, both of Columbus. Both sons are in the railroad business, as C. S. Diltz has been road manager of the Rock Island for a number of years, and D. C. Diltz is the popular representative of the Chicago & Alton here in Jacksonville.

SUSTAINS EYE INJURY.

White Hall, Feb. 27.—Richard Parton, residing south of the Doyle monument works on South Main street, met with an accident Sunday that will cost his right eye. He was repairing a machine at home about 11 o'clock, and in cutting a spike nail in two one end flew up and struck on the eye with great force. Dr. J. S. Billings is making heroic efforts to save the sight, and believes that one eye will not be affected. Mr. Parton is an employee of the Sewer Pipe works.

MARRIED MORE THAN HALF CENTURY SINCE

Mr. and Mrs. C. Riggs Taylor Celebrated Their 54th Wedding Anniversary Monday.

The marriage of C. Riggs Taylor and Miss Mary Foster Scott was solemnized Feb. 27, 1868. Accordingly yesterday was the 54th anniversary of this important event. Mr. and Mrs. Taylor spent the day very quietly at their home on South Main street, but were the recipients of congratulations from a great many of their friends.

For a number of weeks past Mr. Taylor has been seriously ill and it is a source of great gratification to his numerous friends to know that he is now very much improved. It goes without saying that the married life of these two long time and honored residents of Jacksonville has been happy all through the years. Their home is known for its hospitality and the friends of Mr. and Mrs. Taylor, who are legion, are always welcome there.

Mr. Taylor served in the war of the rebellion with Co. G of the 1st Missouri cavalry, enlisting in this city in August, 1861. He participated in a number of the battles of the war and never fully recovered from wounds received in the battle of New Madrid, Mo. The parents of both Mr. and Mrs. Taylor were among the earliest pioneers in Morgan county. They come of sturdy stock and are rightly accounted among the best citizens of Morgan county.

A fifty-fourth wedding anniversary is of rare occurrence and Mr. and Mrs. Taylor's friends hope

that they will be spared for still other anniversaries.

MUST ANSWER FORGERY CHARGES HERE.

O. F. Buffe of Jacksonville, Rev. Fr. Flynn of Murrayville and W. F. Loneragan left Sunday for Lansing, Mich., to appear as witnesses against James L. Ryan, who is charged with forgeries committed here in Morgan county. Sheriff Weatherford went to Lansing several days ago in the effort to bring back Ryan. The man has several aliases. He was accused of raising checks taken in as subscription payments for a Catholic publication.
